TO SEEK RECONSIDERATION OF
STAY ORDER**10

17 Plaintiffs request leave to seek reconsideration of the temporary stay entered herein, on
18 grounds that, contrary to a statement in the stay order, they are not participating as objectors in
19 *Fraley v. Facebook*, C 11-01726 RS, and have instead excluded themselves from that class.
20 Although that statement in the prior order was erroneous, no change in result is warranted, as the
21 other reasons for awaiting the disposition of the settlement approval process in *Fraley* remain
22 compelling. Additionally, while these particular plaintiffs are not participating as objectors, the
23 positions they previously advocated when seeking to intervene here to oppose preliminary approval,
24 are being vigorously advanced by other objectors, including some represented by the same counsel.
25 Accordingly, while reconsideration has effectively been granted in that the factual error pointed out
26 by plaintiffs has been taken into account, no change in the prior ruling will be made.
